

Bunder - Google Survey Results

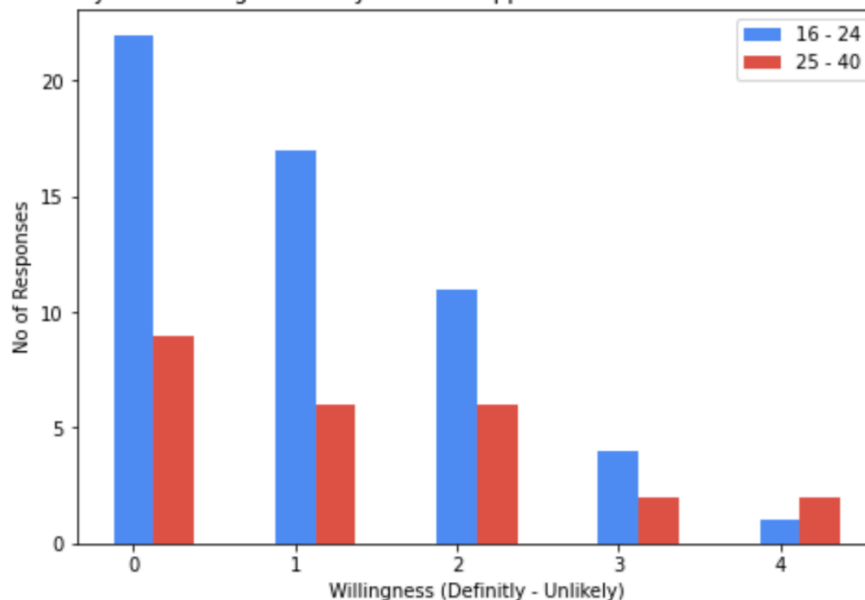

Aaron Wang, Hrishikesh Paul, Ishita Kumar

We conducted a google survey, and below are the results of **81** individuals. The link to the form can be found [here](#).

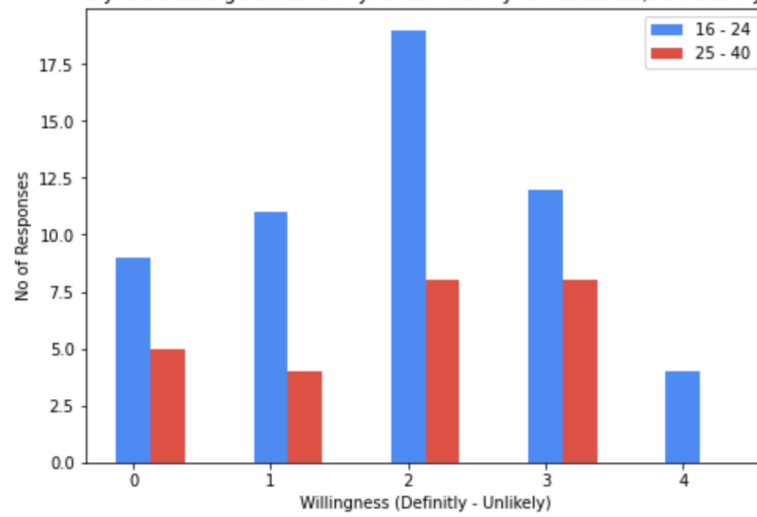

Would you be willing to run errands for someone who isn't physically able to do so themselves?

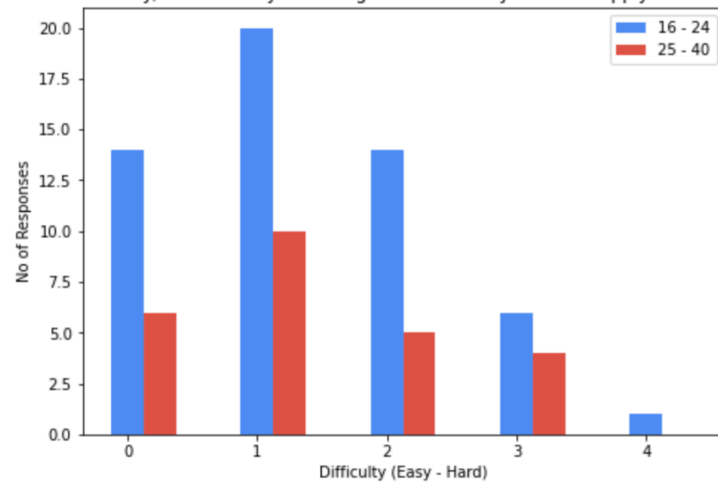

Would you be willing to share your food supplies with someone in dire need for it?

How comfortable would you be asking someone in your community for resources/services if you were in need for it?

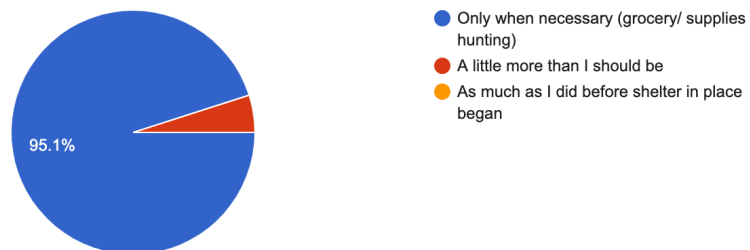

How easy/difficult are you finding it to maintain your food supply at home?

How often do you get out of your house?

81 responses

Do you think you're well equipped to deal with the quarantine for a few days/weeks?
